Rabbit hole

Rabbit Hole

Pulitzer Prize-Winning Drama about life after tragedy
by David Lindsay-Abaire

A story of loss, heartbreak, and forgiveness
laced with wit, compassion, and searing honesty

September 18, 19, 20; 25, 26, 27; October 2, 3, 4

A successful suburban couple must pick
up the pieces after devastating tragedy tests their
marriage. The Corbetts have everything a family
could want, until a life-shattering accident leaves
them drifting perilously apart. *Rabbit Hole* charts
their bittersweet search for comfort. By the author
of *Fuddy Meers* and *Wonder of the World*.

If this were a movie, we think it would be rated "PG"

LEAVING IOWA

Leaving Iowa

Warm, Nostalgic, Family Vacation Comedy

by *Jim Clue and Spike Marlon*

A toast to parents from the "Greatest Generation"
and a roast of their dedication to the road trip

November 6, 7, 8; 13, 14, 15; 20, 21, 22

Curtains: Fri. - 8:00, Sat. - 5:00 & 8:00, Sun. - 2:30

Leaving Iowa will be presented at Festival Hall.

Simultaneously hilarious and touching:
Driving across Iowa. Don relives the vacations he
spent as a boy trapped in the family station wagon
en route to uninteresting sites. Shifting smoothly
from the present to the annual, torturous
vacations of his childhood, it will keep you
laughing, remembering the childhood vacations
you tried to forget.

If this were a movie, we think it would be rated "PG"

Theatre / Schmeatre

All new sketch comedies by OOHHP
Short, unrelated original scripted comedy

May 14, 15; 21, 22; 28, 29; June 4, 5 (no Sundays)
Back for a third year! OOHHP's sketches
deliver lots of silliness and satire. By "original,"
we mean all of these sketches will be written by
Over Our Head Players. By "sketches," we mean
short pieces with minimal technical elements.
And by "comedies," we mean funny! Once again,
we'll feature live music from some top musicians.
From the folks who pen the popular *Snowdance*
hijinks, *Theatre/Schmeatre* is sure to sell out.

These pieces are not yet rated. We haven't seen them, either!
Theatre/Schmeatre aims for "PG-13" material!

Bonus Show!

SUMMER BONUS ** SUMMER BONUS
Limited Engagement: Six Performances Only

Sex, Drugs, Rock & Roll

Visceral, funny monologues by Eric Bogosian
Nonstop, comedic tour through an oddball mind

Summer 2009: July 31, August 1, 2; August 7, 8, 9
Sex, Drugs, Rock & Roll attacks the
underbelly of the American dream. Several actors
perform hilarious, riveting, often disturbing
monologues that push the envelope with
characters who live on the edges of society:
junkies, losers, artists, rock stars, and working
men. Together, they poke fun at the excesses
and absurdities of a generation weaned on rock
and roll.

** Note: not included in season ticket packages. Season
subscribers can save on *Sex, Drugs, Rock & Roll* tickets!
If this were a movie, we think it would be rated "PG-13."

10 Minute Comedy Festival

Sixth Anniversary Festival!

Competition of original 10 minute plays

Sponsored by: *Minuteman Press*

2010: January 29, 30, 31; February 5, 6, 7;

February 12, 13, 14; 19, 20, 21; 26, 27, 28

It's the event that made Racine "Home of
the 10 Minute Comedy Competition"! The hit
playwriting competition draws entries from around
the globe. Judges choose the best to produce.
Then, the audience votes on who should win the
cash prize. It's original comedy plus OOHHP's
hijinks. Utah has *Snowdance*; Racine has
Snowdance! A great reason for season tickets –
this popular event sells out.

These plays are not yet rated; they are not yet written!
Some, if rated, words or themes may be included.

The Beauty Queen of Leenane

The Beauty Queen of Leenane

An electric drama with abundant black comedy

by *Martin McDonagh*

An alarming blend of hysterical comedy, grand
melodrama, horrifying violence, and tragedy

March 19, 20, 21; 26, 27, 28; April 2, 3

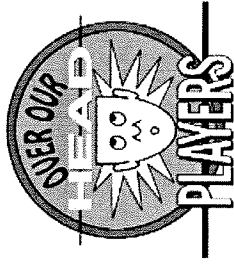

Lonely spinster Maureen is trapped taking
care of her elderly, cantankerous mother. Mag.
The two are locked in a duel of wills, bound in
painfully mean patterns of attack and
counterattack. When Maureen finally discovers
romance, things get horribly out of hand. This
modern classic is full of clever twists and bitter
tragedy leading up to its stunning conclusion.
McDonagh's Tony Award-winning black comedy
unleashes all the dark humor and rich language
for which he has been internationally praised.

If this were a movie, we think it would be rated "R"
